

Alik Shimelmits

Chief Technology & Product Officer

Alik Shimelmits serves as Gilat's Chief Technology & Product Officer

Mr. Alik Shimelmits has more than 25 years of experience in research and development. Prior to taking the role of Chief Technology and Product Officer, Alik has led Gilat's R&D department for the past 6 years. Before he joined Gilat, Alik has served in various technological positions at ECI Telecom, such as Head of Transport Networks, where he managed a multidisciplinary, multi-geographical organization, building and managing new development groups in remote locations.

Previously, Alik served as VP R&D for Axerra, leading the company's technology activities. He is the co-author of three patents.

Alik holds a B.Sc. in Computer Science and a M.Sc. in Applied Mathematics.
