

Yuval Shani

Chief Operating Officer

Yuval Shani serves as Gilat's Chief Operating Officer

Mr. Yuval Shani has over 20 years of executive experience in the fields of Global Operations, Supply Chain and Delivery Management.

Prior to joining Gilat, Yuval served as Vice President Global Operations at Lumenis. Previously, he headed Global Operations and Manufacturing at CheckPoint. Yuval has also worked at Microsemi as Vice President Operations and General Manager of the company's Israeli site. During his career, Yuval has served in various management positions in high growth public companies such as Nice and 3Com, and has been responsible for the leading and execution of operational excellence practices.

Yuval holds an MBA degree, specializing in Financing, and a B.A. (cum laude) in Economics & Management, both from Manchester University.
