Forward Looking Statements Disclaimer

Certain statements made herein that are not historical are forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995. The words “estimate”, “project”, “intend”, “expect”, “believe” and similar expressions are intended to identify forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties. Many factors could cause the actual results, performance or achievements of Gilat to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements, including, among others, risks associated with the outbreak and global spread of the coronavirus (COVID-19) pandemic; changes in general economic and business conditions, inability to maintain market acceptance to Gilat’s products, inability to timely develop and introduce new technologies, products and applications, rapid changes in the market for Gilat’s products, loss of market share and pressure on prices resulting from competition, introduction of competing products by other companies, inability to manage growth and expansion, loss of key OEM partners, inability to attract and retain qualified personnel, inability to protect the Company’s proprietary technology and risks associated with Gilat’s international operations and its location in Israel. For additional information regarding these and other risks and uncertainties associated with Gilat’s business, reference is made to Gilat’s reports filed from time to time with the Securities and Exchange Commission. We undertake no obligation to update or revise any forward-looking statements for any reason.

Unaudited/Non-GAAP Financial Measures

This presentation includes financial data that is not audited and financial data that was not prepared in accordance with U.S. Generally Accepted Accounting Principles (GAAP). Non-GAAP financial measures mainly exclude, if and when applicable, the effect of non-cash stock-based compensation expenses, amortization of purchased intangibles, amortization of intangible assets related to acquisition transactions, lease incentive amortization, impairment of held for sale asset, income tax effect on adjustments, one-time changes of deferred tax assets, and other operating expenses (income), net. Gilat believes these non-GAAP financial measures provide consistent and comparable measures to help investors understand Gilat’s current and future operating performance. However, our non-GAAP financial measures are not meant to be considered in isolation or as a substitute for comparable GAAP measures and should be read in conjunction with Gilat’s consolidated financial statements prepared in accordance with GAAP.
