CORPAC Awards Gilat Multi-Million-Dollar Contract to Provide Mission Critical Telecom Systems for Peru's Airports

Petah Tikva, Israel, February 4, 2021 -- Gilat Satellite Networks Ltd. (NASDAQ, TASE: GILT), a worldwide leader in satellite networking technology, solutions and services, announced today that it was awarded a multi-million-dollar contract to provide mission critical telecom systems for 29 of Peru's airports. The award of high-availability communication system was granted by CORPAC, the Peruvian Corporation of Commercial Airports and Aviation. This award follows Gilat's successful execution of large government projects and well positions Gilat for additional large deals in Peru.

CORPAC, is a government entity in charge of the administration of most of the airports in Peru. Gilat will design, supply, implement and commission equipment for Communication Navigation and Surveillance (CNS) services in Peru's airports.

"Gilat was selected by CORPAC due to its proven execution capabilities of large-scale government projects," said Arie Rohrstock, General Manager Gilat Peru and Corporate VP. "This project will open the door to additional large deals as we intend to deliver upon our strategy of significantly increasing business in Peru."
