

## GILAT PRESS RELEASE

### **Gilat Awarded \$13M Contract by Pronatel for Delivery of Internet Services to Hundreds of Sites in Peru**

*Gilat to supply WI-FI services over a two-year period to the regions of Ayacucho, Apurímac, Huancavelica and Cusco*

**Petah Tikva, Israel, June 3, 2021** -- Gilat Satellite Networks Ltd. (Nasdaq: GILT, TASE: GILT), a worldwide leader in satellite networking technology, solutions and services, announced today the award of a \$13M contract by Pronatel for delivery of internet services to hundreds of sites in Peru. Gilat to supply Public Free WI-FI services over a two-year period to the regions of Ayacucho, Apurímac, Huancavelica and Cusco with a potential for significant extension and expansion to thousands of additional sites.

Gilat is engaged in support of the Peruvian government to enable education over the internet; a particularly important mission during the ongoing pandemic. The government is supplying thousands of tablets to students, for the purpose of accessing educational material. Gilat is installing hotspots in hundreds of city squares, which include a local server with digital education material, for the benefit of the students. Gilat is providing connectivity services, the wireless access solution and infrastructure for the WIFI internet coverage.

"The agreement signed with Gilat Peru will enable more Peruvians to connect for free to high-speed internet through their own devices within the coverage areas of the main squares," said Carlos Lezameta, Pronatel's Chief Executive. "This service in the first four regions is part of Pronatel's larger initiative to provide Regional Broadband Projects."

"Gilat is committed to deliver broadband connectivity to the students of Peru, addressing this critical need during the pandemic, when schools are closed," said ArieH Rohrstock, General Manager Gilat Peru and Gilat's Corporate SVP. "This award is in-line with our strategy to grow services over the networks, where we see great potential for additional millions of dollars of recurring revenue."

#### **About Gilat**

Gilat Satellite Networks Ltd. (NASDAQ: GILT, TASE: GILT) is a leading global provider of satellite-based broadband communications. With 30 years of experience, we design and manufacture cutting-edge ground segment equipment, and provide comprehensive solutions and end-to-end services, powered by our innovative technology. Delivering high value competitive solutions, our portfolio comprises of a cloud based VSAT network platform, high-

speed modems, high performance on-the-move antennas and high efficiency, high power Solid State Amplifiers (SSPA) and Block Upconverters (BUC).

Gilat's comprehensive solutions support multiple applications with a full portfolio of products to address key applications including broadband access, cellular backhaul, enterprise, in-flight connectivity, maritime, trains, defense and public safety, all while meeting the most stringent service level requirements.
