

## GILAT PRESS RELEASE

### **Gilat Receives Over \$8 Million Follow-On Order for Support of Low Earth Orbit Constellation**

**Petah Tikva, Israel, June 06, 2022** -- Gilat Satellite Networks Ltd. (Nasdaq: GILT, TASE: GILT), a worldwide leader in satellite networking technology, solutions, and services, announced today it received an over \$8 million dollar follow-on order for support of gateways of a Low Earth Orbit (LEO) constellation.

Gilat's subsidiary, Wavestream, was chosen as the sole provider to supply Gateway Solid State Power Amplifiers (SSPAs) to a leading satellite operator to support the LEO constellation gateways. The order is above and beyond last year's previously announced \$50 million contract, which is currently being delivered.

"Repeat business like this is a testament to our reliable manufacturing ability to meet the stringent requirements of non-geostationary satellite orbit constellations," said Bob Huffman, General Manager at Wavestream and Senior Vice President at Gilat. "Our manufacturing capacity, product reliability, and experience with high-power Ka-Band SSPA technologies position us well to capture a significant share of the NGSO gateway market."

#### **About Wavestream**

Wavestream, a Gilat subsidiary is the industry leader in the design and manufacture of next generation satellite communications high power transceivers for In Flight Connectivity, Ground Mobility and Gateway markets. Since 2001, we provide system integrators with field-proven, high performance Ka, Ku and X band Solid State Power Amplifiers (SSPAs), Block Upconverters (BUCs), Block Down Converters and Transceivers. We design, manufacture and repair our products in-house and have delivered over 40,000 systems in the past 15 years. Wavestream products provide high quality and reliability under the harshest environmental conditions and we are currently certified to ISO 9001:2008 and AS9100D standards. For further details, please visit [www.wavestream.com](http://www.wavestream.com)

#### **About Gilat**

Gilat Satellite Networks Ltd. (NASDAQ: GILT, TASE: GILT) is a leading global provider of satellite-based broadband communications. With 30 years of experience, we design and manufacture cutting-edge ground segment equipment, and provide comprehensive solutions and end-to-end services, powered by our innovative technology. Delivering high value competitive solutions, our portfolio comprises of a cloud based VSAT network platform, high-speed modems, high performance on-the-move antennas and high efficiency, high power Solid State Amplifiers (SSPA) and Block Upconverters (BUC).

Gilat's comprehensive solutions support multiple applications with a full portfolio of products to address key applications including broadband access, cellular backhaul, enterprise, in-flight

connectivity, maritime, trains, defense and public safety, all while meeting the most stringent service level requirements. For more information, please visit: [www.gilat.com](http://www.gilat.com)
